The 12th TSAE International Conference

Message from the Dean of Faculty of Engineering, King Mongkut's Institute of Technology Ladkrabang

On behalf of Faculty of Engineering, King Mongkut's Institute of Technology Ladkrabang, I am honored and delighted to welcome all the delegates, professors, researchers and participants to the 12th TSAE International and 20th National Conference on 14-15 March 2019 in Pattaya, Chonburi, Thailand. The conference aims to provide the forum for presentations and discussions of the most recent advancements in all fields of agricultural engineering.

I would like to express my gratitude toward the guest speakers and participants for the conference. And also, I would like to extend my congratulations to all the authors and presenters. Finally, I would like to express my gratitude to the organizing committees and co-sponsors for their valuable contributions. I hope that this conference will create a platform for interactions and collaboration between the ongoing researches in the field of agricultural engineering.

Lastly, I hope that you will enjoy your participation in TSAE Conference 2019 and have a memorable time in the beautiful beach of Pattaya, Thailand.

Assoc.Prof. Dr. Komson Maleesee
Dean, Faculty of Engineering
